WEIGHT LOSS 4 WOMEN & TAHITIAN NONI JUICE

Our weight loss program is the first to focus on women over 35. This program zeros in on the changing metabolic needs and visible changes in the body. The most noticeable change is often the increasing waist measurement.

Weight Loss 4 Women targets the changes with 11 components specifically designed to address these concerns.

- TAHITIAN NONI Juice
- Cleanse Beverage
- Fiber Complete
- Appetite Suppressant
- Body Balance Cream
- Hoa Multi-Vitamins
- Women's Essential Vitamins
- Complete Shake
- Soy Protein Drink
- Complete Bar

TAHITIAN NONI JUICE

Noni is high in antioxidants and benefits many systems and functions of the body; Immune system, Circulatory system, Metabolism, skin and hair. Other benefits you may notice include improved mental clarity, increased attention span and physical performance.

***Juice drinkers* have also reported improvement in; High Blood Pressure, Sleeplessness, Arthritis pain, Anxiety, Depression, Digestion, High Cholesterol, Allergies, Irritable Bowel, Energy levels. ***Your results may vary. No medical claims are intended, this is anecdotal information only, as reported by juice drinkers.*
